

46th United Nations Inter-Agency Games

Paris, 8 February 2019

Dear Friends,

On behalf of UNESCO, the UNESCO Inter-Agency Games Committee is pleased to announce that we shall host **the 46th United Nations Inter-Agency Games (UNIAG)**, which will be held in **Lisbon, Portugal** from **30 April to 4 May 2019**.

UNESCO is the United Nations' Educational, Scientific and Cultural Organization. It seeks to build peace through international cooperation in Education, the Sciences and Culture. UNESCO's founding vision was born in response to a world war. Seventy years on and many liberation struggles later, UNESCO's mandate is as relevant as ever. Cultural diversity is under attack and new forms of intolerance, rejection of scientific facts and threats to freedom of expression challenge peace and human rights. In response, UNESCO's duty remains to reaffirm the humanist missions of education, science and culture. UNESCO is also the United Nations' lead agency for Physical Education and Sport.

Lisbon is the stunning capital city of Portugal, and is one of the most charismatic and vibrant cities of Europe. It is a city that effortlessly blends traditional heritage, with striking modernism and progressive thinking. Lisbon is a bustling and exciting city that boasts a wide choice of activities and fascinating tourist attractions. The city has a welcoming and liberal atmosphere, while still embracing its deep-rooted heritage and extensive history. Lisbon is close to a stunning coastline of beautiful sandy beaches and dramatic natural scenery, and many of the region's finest beaches are only a short bus or train ride away. We are excited to welcome you to this warm, friendly and beautiful city!

More information about the Games as well as details about the city of Lisbon, will be posted on the website below in the course of February: <https://www.interagencygames.org/> (presently under construction).

In addition, there will be free transportation between all locations involved with the Event.

Security

The UN Department of safety and security (UNDSS) recommends that each participant should register in the common security system DRITS. This would allow for UNDSS to know who is at the Game and to react efficiently in case of unexpected event. We strongly encourage individuals to register into the system which is available here <https://dss.un.org/dssweb/Home.aspx> and create a request in TRIP. If you are not already registered, you may need to create a new profile.

Entry visas

Kindly ensure that all participants have the necessary visas for Portugal (and any countries they might need to travel through). There will be no reimbursement for no-show due to visa-related problems. For help with visa letters, please write to: **iag2019visas@unesco.org**

Our Committee remains at your disposal for any further information you may require. We look forward to welcoming you to Lisbon.

Sincerely,
