Minutes of the 1st meeting

held on 3 March 2014 at 2:00 p.m. in Room IX

The meeting was opened at 2:05 p.m.

The Chairman of the Polling Board, Mr. Astrit Sulstarova, presided and opened the meeting. He called out the names of those who were elected members of the 32nd UNOG Staff Coordinating Council. Those members who were present are indicated above. Due note was taken of the excused absence of elected members Mr. Yaroslav Bulych, Mr. David Koné, Mr. Mohssen Touihri and Ms. Evelina Rioukhina. Due note was taken of the resignation of Mr. Zhongchao Hua as elected member, who is replaced by Mr. Didier Fortis according to the order of precedence of List A (United Team) members.

Point of order and motion to adjourn

Mr. Ahmed Ghailan raised a point of order concerning the convening of the meeting notified officially via broadcast on 27 February 2014 along with the results of the Council's elections, which he argued was procedurally flawed as it did not respect the mandatory 3-day notice period for Council meetings. Mr. Ghailan thus moved to adjourn the meeting to allow time for a new notification to be sent with at least 3-days' notice. Following Mr. Ghailan's motion, a discussion took place among the Council members present including the President of the Polling Board. Mr. Sulstarova pointed out that the date and time of this Council meeting had already been agreed to jointly by all lists when they met with the polling officers on 7 February 2014 whilst the lots were being drawn on the alphabet to be used by each list. This was again conveyed and confirmed to the members of the three lists during the counting of the ballots on 25 February 2014. He also pointed out that never before in the previous five years had he seen a separate notification being sent to convene the 1st meeting of the Council, and that the role of the President of the Polling Officer, as per Council Statutes, is only to preside the such 1st meeting until the moment the President is elected therein. Mr. Ghailan expressed his view that the verbal convening does not absolve the requirement of convening a Council meeting with at least 3-day notice and that it does not constitute a notification. Ms. Dominique Rames agreed with Mr. Ghailan and expressed her opinion that a formal and separate invitation and agenda should have been provided.

Mr. Jamshid Gaziyev recalled Article 7, para. 1 of the Council's regulations which governs the convening of the 1st Council meeting, which states “that the Council should hold its first meeting within five days of the publication of the results of the elections”. He added that the presence of twenty Council members suggested that all Council members had been notified. He also pointed out that the verbal confirmation had achieved the goal of notifying Council members and that it would have been not advisable to proceed with adjourning the meeting when all Council members who were able to come have joined the meeting. Mr. Baly and Mr. Richards expressed their support to this view. Mr. Ghailan reiterated his view that the 3-day notice should be respected for all Council meetings, arguing that according to the pertinent rules, for every meeting of the Council, either first, or last, or middle, there should be an agenda and notification sent with such notice. Mr. Ghailan, thus, did not agree to consider Article 7, para. 1 of the Council’s Statutes as an exception to the normally established notification period of 3 days established in the same Article 7.

Mr. Sulstarova called for a vote on Mr. Ghailan’s motion to adjourn the meeting until a formal notification is sent with at least 3-day notice. Following 4 votes in favour of the motion and 16 votes against, the motion was not carried.

   Ms. Dominique Rames, making reference to Council rules of procedure, advocated for the usage of the two official languages of the Council (English and French) during meetings and in documents produced and adopted by the Council. She asked the President to alternate between French and English while presiding the meetings or otherwise procure interpretation, considering fair to use French as it is the Geneva language, along with English. Ms. Rames also asked that before issuing any broadcasts, all Council members are informed and agree with it in advance. Mr. Jamshid Gaziyev replied that meetings will always be bilingual, with every Council member having the right to speak in the official Secretariat working language of their choosing, but that the possibility of having interpretation during meetings would depend on the availability of such services as provided by the Administration.
