ABOUT BABILOU

WHO ARE WE?

A LITTLE STORY THAT MATTERS

Rodolphe and Edouard Carle co-founded Babilou in 2003 when they were desperate to find a childcare solution for their kids. A few years later, several successful entrepreneurs from the childcare industry joined Babilou to form the Babilou Group. All of them shared common values of Respect, Team Spirit, Kindness and Commitment. From that point, Babilou quickly became a leader in child care.

Between 2013 and 2015, Babilou expanded beyond the borders of France into Belgium, Germany and Switzerland. We now have over 400 daycare centres in Europe and welcome over 20,000 families every week.

OUR PRE-ENROLLMENT PROCESS

WHO IS ELIGIBLE TO MAKE A REQUEST?

All United Nations employees with a valid contract are eligible to complete our online pre-enrollment form.

HOW CAN I MAKE A REQUEST ?

It's as easy as pie! To pre-enroll in one of our daycares, click on the link below and answer the questions :

<https://babelou.tfaforms.net/4741797>

Please be aware of the importance of the accuracy of the informations you provide on the form.

As the number of available places in our centers is limited, your answers are allocated points according to objective pre-set criteria.

Those points will result in a ranking that will be determinant in the allocation process.

Any error or significant omission could lead to your application being rejected.

Once the application period has closed, Babilou will hold an allocation committee and will inform the lucky recipients of a place by email.

Dates of the pre-registration period:

**Between 9th September and
18th October 2020**

OUR PRE-ENROLLMENT PROCESS

WHICH CRITERIA DO WE USE TO RANK FAMILIES?

All the forms are processed through an algorithm that ranks families according to their personal situations.

The criteria taken into account from the form are all democratic and egalitarian. There are not exclusive, though, and should not dissuade parents from completing the pre-registration form.

Here are some examples of criteria that give parents priority over other families:

- *Single-parent families*
- *Recent adoption*
- *Handicapped child*
- *Brother or sister already present in the daycare centre*

Please note that should you be offered a place in one of our daycares, all your personal details and information will have to be verified.

ONCE THE APPLICATION PERIOD HAS CLOSED

WE CONTACT YOU TO SCHEDULE A VISIT

Once the allocation period has closed, we will contact you by email to set-up an appointment to visit the nursery. On that occasion, our daycare director will show you the administrative papers that you will have to complete and return if you decide to confirm your subscription.

After the visit, you will have 5 working days to confirm your pre-registration by sending back the required pre-registration form. If you do not, we will file your application.

Once we have received your signed pre-registration form, we will establish the contract for your child to send back in 2 versions. Right after, you will receive the invoices for the 2 first months of attendance of your child. The payment of those guarantees the place for your child.

GETTING STARTED and THE SETTLING-IN PERIOD

Once we have received your payment, the daycare director will ask you to return all the papers related to your subscription.

Among other things, the director will tell you about the settling-in period. During this period, parents remain with their children for short periods of time at the day care centre. It helps to maintain the stability and continuity that every child needs, regardless of their age. You will become familiar with the daycare, and will be able to give the team more details about your child's daily routine so that we can follow their rhythm. At that time, we encourage parents to bring in familiar things from home such as comforters, teddy bears or even clothes with their smell on it.

The settling in period is compulsory and the childcare schedule for this period will be agreed jointly with the family.

Please don't hesitate to ask any questions that you may have!
