

Chaplin's World – where history meets entertainment!

Discover a site dedicated to Charlie Chaplin, the artist and the man.

Meet Charlie Chaplin, the family man, in the Manoir; embark on a singular journey through the sets of his greatest films in the Hollywood-style Studio; take a peaceful walk in the gardens; whether you're a family looking for entertainment for your kids or looking to dream for a while, [Chaplin's World](#) has everything you need !

“Chaplin and The Great Dictator”

Chaplin’s World latest temporary exhibition co-produced by [Les Rencontres d’Arles](#), [Roy Export S.A.S](#) and [l’Institut pour la photographie de Lille](#) and supported by the [Charlie Chaplin Museum Foundation](#), will give you the chance to discover archive documents detailing the story behind the film’s creation, the shooting tricks and techniques, unfinished scenes, as well as never-before-seen photographs from the set.

Be part of the global creative tribute celebrating 80 years of Charlie Chaplin's *The Great Dictator*!

On the 80th anniversary of “*The Great Dictator*”, let’s get together for a fun, novel, collective experience that’s a bit crazy – and unite citizen of the world to voice the film’s message of hope!

[Click here](#) to take a selfie to create letters composed entirely of Tramps with your own face ! This global visual alphabet will then be used by [Chaplin’s World](#) to spell out the film’s final speech, one letter at a time. During the summer 2021, the result will be unveiled not only on the [project website](#), [Instagram](#) and [Facebook](#), but also on a huge banner that will be displayed on the outer wall of Charlie Chaplin’s last home, in Corsier-sur-Vevey, which now houses Chaplin’s World.
